## About the AGC Annual Convention

For more than 100 years, the AGC Annual Convention has been THE event successful contractors around the country count on for practical knowledge and industry leading information to guide business decisions, improve operations and shape the industry.

From the jobsite to the back-office to the halls of government, the AGC Annual Convention provides business-critical insights into the issues commercial contractors are facing and the actionable strategies needed to deal with them.

With a full slate of education breakout sessions, keynote presentations from super-stars of industry, and cutting-edge solutions from more than 150 companies in the AGC Equipment, Technology & Construction Solutions Expo, the AGC Annual Convention is the place for construction superintendents, project managers and senior executives to hone their knowledge while making connections that open doors to new opportunities.

Whether you are focused on the building market, highway and transportation, utility and infrastructure, or the federal space, the AGC Annual Convention provides a showcase into all of the ways that AGC can support your business and is working to expand opportunities in the industry. Find your place at table, get involved, and build better.
